

42nd BOARD MEETING IN KYIV

#EITIKyiv19

ROUNDTABLE DISCUSSION

“How to Ensure Good Governance of State-Owned Enterprises”

The objective of this session is to discuss necessary actions needed from government to establish well-operated state-owned enterprises (SOE) in the extractive sector. Speakers will discuss best practices and challenges in managing SOEs and how to build attractive investment climate. Participants will further discuss recommendations for effective governance of SOEs
